

Run for Food 5K Run/Walk Sponsorship

College of the Siskiyous - Weed, California

Thanksgiving Day Sponsorship of Run for Food is a “win-win” for your business and Siskiyou Food Assistance. Each level provides a benefit for you and support for the services of the Siskiyou Food Assistance food bank.

Siskiyou Food Assistance is a non-profit organization that serves nutritionally balanced food boxes to those with emergent needs and children to feed. Nearly 500 families were served in the last year. Our program exists through the generosity of businesses, churches, and individuals who share our concern for the poor.
